SUMMARY

Motivated junior software developer with a background in Information Technologies and Software Development. Experienced in C++, C#, and web development, with practical knowledge of IT support and system troubleshooting. Completed an internship as an IT Office Assistant, contributing to technical support and internal tools development. A fast learner with strong problem-solving skills and the ability to work effectively in multilingual environments. Currently relocating to Erbil and seeking an opportunity to grow in the IT or software field.

PROFESSIONAL EXPERIENCE

MC Filtre - samsun

IT Intern

09/2024 – 06/2025 | Samsun - Turkey

During my internship, I worked as an IT Office Assistant and actively contributed to technical support and software development tasks.

Responsibilities:

Managed and tracked company computer inventory

Analyzed and reported hardware specifications (PC specs)

Identified system and software issues and supported troubleshooting

Developed small internal tools to improve IT workflows

Created an application to monitor and manage company computers

Used Adobe Photoshop to edit product images (background removal, PNG conversion)

This experience helped me gain practical skills in both IT support and software development.

SKILLS

Programming

C++, C#, JavaScript, PHP, Python

Web & Database

HTML, CSS, MySQL

IT & Tools

IT support, troubleshooting, hardware analysis, GitHub, Visual studio Code, Photoshop

EDUCATION

High School Diploma (Information Technology / Software)

Samsun Anatolian Vocational and Technical High School

06/2025 | Samsun - Turkey

Focused on software development, programming fundamentals, and IT systems.
